

## **2009 Press Releases - Marum Resources Inc.**

### **Marum changes name to StrikePoint Gold**

**Calgary, Alberta – June 26, 2009** – Richard Boulay, CEO, reports that effective today it has changed its name from Marum Resources Inc. to StrikePoint Gold Inc. (“StrikePoint Gold” or the “Company”). Marum Resources Inc. previously traded under the symbol MMU on the TSX Venture Exchange (“TSXV”). StrikePoint Gold will commence trading on the TSXV under the new symbol “SKP” at market open on June 26<sup>th</sup> 2009.

StrikePoint Gold holds seven properties strategically located along Manitoba’s Rice Lake Greenstone Belt, consisting of 94 claims covering 18,251 hectares, and pursuant to an option agreement with Wildcat Exploration Ltd. (TSXV: WEL), StrikePoint Gold has the option to earn an interest in an additional 72 claims covering 12,176 hectares.

StrikePoint Gold was chosen as the Company’s new name in order to reflect our focus on gold exploration in Manitoba’s Rice Lake Gold Belt. StrikePoint is the name of the Company’s flagship gold property that lies adjacent and to the northwest of San Gold Corporation (TSXV: SGR) gold deposits at Rice Lake, including the deep Rice Lake Mine, the Cartwright deposit, the Hinge Zone mine and the newly discovered Cohiba zone that was announced by San Gold Corporation on June 11<sup>th</sup>, 2009.

Marum’s website, [www.marumresources.com](http://www.marumresources.com) will be maintained until July 15, 2009. StrikePoint Gold will soon initiate a new website accessible at [www.strikepointgold.com](http://www.strikepointgold.com) and [www.strikepointgold.ca](http://www.strikepointgold.ca).

## **Marum Announces Increase to Previously Announced Private Placement Offering**

Calgary, Alberta - January 26, 2009 – Marum Resources Inc. (TSX-V: MMU) (the “Company”), is pleased to announce that it has increased its non-brokered private placement offering (the “Offering”), previously announced on January 9, 2009, by up to \$105,000, and now anticipates offering up to 6,000,000 units (“Units”) at a price of \$0.07 per Unit for gross proceeds of up to \$420,000. Each Unit will be comprised of one common share of the Company (a “Share”) and one Share purchase warrant (a “Warrant”). Each Warrant will entitle the holder to purchase one Share at a price of \$0.13 per Share for a period of 36 months from the date the Warrant is issued.

The Shares issued pursuant to the Offering will be subject to a four month hold from the date of closing. Closing, previously scheduled to occur on or before January 30, 2009, has been rescheduled to February 25, 2009.

Insiders of the company are expected to subscribe up to 80% of the Offering. Pursuant to the policies of the TSX Venture Exchange, the sale of Units to these insiders constitutes a “related party transaction” as defined in Multilateral Instrument 61-101- Protection of Minority Securityholders in Special Transactions.

The transaction however will be exempt from applicable formal valuation and minority shareholder approval requirements as neither the fair market value of the Units does not exceed 25% of the market capitalization of the Company.

No fees or commissions shall be payable in connection with this placement.

The net proceeds from the Offering will be used to explore the Company's gold properties and for general corporate purposes. All dollar amounts are in Canadian dollars unless otherwise noted.

The offering is subject to receipt of all necessary approvals, including the approval of the TSX Venture Exchange.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release. This news release may contain assumptions, estimates, other forward-looking statements regarding future events. Such forward-looking statements involve inherent risks and uncertainties and are subject to factors, many of which are beyond the Company's control, which may cause actual results, performance or circumstances to differ materially from those currently anticipated in such statements.
